

## How to Pay with PayPal if You Don't Have a PayPal Account

Did you know? You **DON'T** have to have a PayPal account to use PayPal to pay for your RM Booster Club purchases! PayPal is a secure, fast, and easy way to pay.

When you want to use PayPal to make a Booster Club purchase, you click on a "Buy Now" button, or a "Donate" button. For some things, like photo purchases, you may receive a PayPal invoice via email. Whichever way, you should get a PayPal payment screen that looks something like the example below.

The trick is to look for the link that says something like "Don't have a PayPal account?".

If you **do not** have a PayPal account, click the link in your invoice email similar to the one outlined with a green box in the example below. The green box does not appear on the screen. It is just to highlight things here.

The screenshot shows the checkout page for the RMHS Athletic Booster Club. At the top, it says "RMHS Athletic Booster Club" and "U.S. English". Below that, it says "Mike Curtis Open - Bronze Sponsorship" and "Subtotal: \$1,000.00 USD". There is a link to "calculate total order amount" after entering a ZIP code. The main heading is "PayPal is the safer, easier way to pay" with the PayPal logo and "Secure Payments". Below this, it says "PayPal securely processes payments for RMHS Athletic Booster Club. You can finish paying in a few clicks." There are two sections: "Why use PayPal?" with two bullet points, and a "LOG IN TO PAYPAL" section with fields for "Email:" and "Password:", a "Log In" button, and a link for "Forgot email address or password?". A green box highlights the text "Don't have a PayPal account? Use your credit card or bank account (where available). [Continue](#)" with a green arrow pointing to it. Below this box are logos for VISA, MasterCard, American Express, Discover, and BANK. An orange arrow points to the "Log In" button in the "LOG IN TO PAYPAL" section, with the text "Log in here if you DO have a PayPal account" below it. At the bottom, it says "PayPal. The safer, easier way to pay. For more information, read our [User Agreement](#) and [Privacy Policy](#)." and includes a VeriSign Identity Protection logo.

This should take you to a payment page similar to the next example.

If you do not have a PayPal account, fill in the information highlighted in green. Again, the green doesn't show up on your screen, it is just to illustrate here.

After this it should be very similar to any online purchase. You do not have to sign up for a PayPal account (although they encourage you to).
